Here in this topic of consumer research they are trying to identify reasons for purchasing a product, usually customers hesitates to reveal their reasons or motivational factor which made them to purchase a product or service at that time the consumer researchers use the two different types of research methodology to study consumer behavior: quantitative research and qualitative research.

### **Role of Research in understanding consumer behaviour**

The Occupational Safety and Health Administration's revised recordkeeping rule includes two key changes: First, the rule updates the list of industries that are exempt from the requirement to routinely keep OSHA injury and illness records, due to relatively low occupational injury and illness rates.
