Customer comment: " I stumbled across Unisoft while searching for a software solution to improve our manual and semi auto assembly operations. I found what I was looking for and much much more! If you work in the electronics industry as a Manufacturing Engineer, Quality Inspector, Test Engineer or Test Technician it is worth your while to get familiar with Unisoft's products. You won't find a ...

Sometimes I wonder if testers know how easy it is to script your own variations of test data. I prefer Ruby, and you can download this example that I will tell you about.. I was testing healthcare data and wanted to see what the performance was for larger quantities of data.

thoughts from the test eye

The afternoon CEM mock examination session is also recommended as a way of over preparing students for their CSSE exam (especially important for those who sit outside of their preferred school catchment areas).

Homeschooling, also known as home education is the education of children at home or a variety of other places. Home education is usually conducted by a parent or tutor or online teacher. Many families use less formal ways of educating. "Homeschooling" is the term commonly used in North America, whereas "home education" is commonly used in the United Kingdom, Europe, and in many Commonwealth ...
