Onboarding, also known as organizational socialization, refers to the mechanism through which new employees acquire the necessary knowledge, skills, and behaviors in order to become effective organizational members and insiders. It is the process of integrating a new employee into the organization and its culture. Tactics used in this process include formal meetings, lectures, videos, printed ...

Onboarding - Wikipedia

The beauty of these side hustle ideas is that many don't require a huge initial investment or even necessarily a highly specialized skill-set. And certainly, not all qualify as 'business ideas,' but each has the potential to earn you money in your spare time.
