

### english slang and colloquialisms pdf

Slang is language (words, phrases, and usages) of an informal register that members of particular in-groups favor (over a standard language) in order to establish group identity, exclude outsiders, or both.. Sometimes people of higher social status will criticize people who use slang and sometimes people of higher social status use slang themselves.

### Slang - Wikipedia

In linguistics, colloquialism is vernacular language including everyday language, everyday speech, common parlance, informal language, colloquial language, general parlance, and common expressions. It is the most used linguistic variety of a language, the language normally used in conversation and other informal communication.. A specific instance of such language is called a colloquialism.
