Department Overview. Founded in 1994, Kathmandu University, Dhulikhel, has rapidly achieved a status of one of the top institutions in the nation for higher education and scientific research. With the need to develop and deploy the digital concepts that are changing the world rapidly with astonishing inventions and innovation, Kathmandu University launched Computer Science and Engineering program.

Lesson plans for Agriculture and Environment, including animal science, horticulture, food science culinary arts, aquaculture and forestry.

## **Agriculture, Horticulture, Culinary, Food Science and**

Environmental science is an interdisciplinary academic field that integrates physical, biological and information sciences (including ecology, biology, physics, chemistry, plant science, zoology, mineralogy, oceanography, limnology, soil science, geology and physical geography ()), and atmospheric science) to the study of the environment, and the solution of environmental problems.

## **Environmental science - Wikipedia**

International Journal of Energy and Power Engineering (IJEPE) publishes original research and review articles in the fields of energy and power. This journal also publishes survey, tutorial and discussion papers from experts in these fields to promote intuitive understanding of the state-of-the-art and technology trends. The coverage of the journal includes all sorts of researches on thermal ...

## **International Journal of Energy and Power Engineering**

Materials Science and Engineering A provides an international medium for the publication of theoretical and experimental studies related to the load-bearing capacity of materials as influenced by their basic properties, processing history, microstructure and operating environment. Appropriate submissions to Materials Science and Engineering A should include scientific and/or engineering ...
