By fascist thinkers and movements Benito Mussolini. Benito Mussolini, who was the first to use the term for his political party in 1915, described fascism in Doctrine of Fascism as follows: . Granted that the 19th century was the century of socialism, liberalism, democracy, this does not mean that the 20th century must also be the century of socialism, liberalism, democracy.

Definitions of fascism - Wikipedia

The economics of fascism refers to the economic policies implemented by fascist governments. Historians and other scholars disagree on the question of whether a specifically fascist type of economic policy can be said to exist. Baker argues that there is an identifiable economic system in fascism that is distinct from those advocated by other ideologies, comprising essential characteristics ...
