The Patent Cooperation Treaty (PCT) is an international patent law treaty, concluded in 1970. It provides a unified procedure for filing patent applications to protect inventions in each of its contracting states. A patent application filed under the PCT is called an international application, or PCT application.. A single filing of a PCT application is made with a Receiving Office (RO) in one ...

Abstract. The study aimed to identify difficulties and aspirations of physical education teachers at public schools in Niterói, inspired by UNESCO's quality physical education goal.

Obstacles for physical education teachers in public

The adoption and maintenance of physical activity are critical foci for blood glucose management and overall health in individuals with diabetes and prediabetes. Recommendations and precautions vary depending on individual characteristics and health status. In this Position Statement, we provide a clinically oriented review and evidence-based recommendations regarding physical activity and ...
