

### **limited liability companies for pdf**

A limited liability company (LLC) is the US-specific form of a private limited company. It is a business structure that can combine the pass-through taxation of a partnership or sole proprietorship with the limited liability of a corporation. An LLC is not a corporation in and of itself; it is a legal form of a company that provides limited liability to its owners in many jurisdictions.

A limited liability partnership (LLP) is a partnership in which some or all partners (depending on the jurisdiction) have limited liabilities. It therefore can exhibit elements of partnerships and corporations. In an LLP, each partner is not responsible or liable for another partner's misconduct or negligence. This is an important difference from the traditional partnership under the UK ...
