It is now time to prepare specific questions for your interview. Remember the purpose of the interview for the organization is twofold; to assess your skills and knowledge; and also determine the cultural fit. We will analyze the job description and develop a list of specific questions you may get in the interview. The first step is to start by analyzing the job description for primary skills ...

In both Foxit Reader and Adobe Reader if you go to File > Properties and then click on the Fonts tab you will be able to see a full list of fonts available in that document, however, there isn't any features in these basic PDF readers that will let you select some text and view the properties for that text to see exactly which font it uses.. For that you need Foxit PDF Editor, Adobe Acrobat or ...

I love MATLAB. It is so quick and easy to write software to do what you want. It has excellent debugging and profiling tools. It is cross platform, making code easy to share (assuming the other people have forked out for the not-so-cheap license). It has interfaces to other software. However, there ...
