Firefighting was a predominantly male profession throughout the world. Since the 1970s, women have made inroads in both professional and volunteer fire departments in multiple countries. In modern times, women have served in a variety of fire service roles including as fire chiefs. Nonetheless, they make up less than 10% of firefighters even in the countries where they are best represented.

Timeline of women's legal rights (other than voting) represents formal changes and reforms regarding women's rights. That includes actual law reforms as well as other formal changes, such as reforms through new interpretations of laws by precedents. The right to vote is exempted from the timeline: for that right, see Timeline of women's suffrage. The timeline excludes ideological changes and ...
