the other special relationship pdf

The Special Relationship is an unofficial term often used to describe the political, diplomatic, cultural, economic, military, and historical relations between the United Kingdom and the United States. The term first came into popular usage after it was used in a 1946 speech by Winston Churchill. The two nations have been close allies during many conflicts in the 20th and 21st centuries ...

Special Relationship - Wikipedia

A special relationship is a diplomatic relationship that is especially strong and important. This term is usually used to refer to the historic relationship between the United States and the United Kingdom. In its extended use outside it and the Anglosphere, it has also been used to describe the whole of EU–US relations and the following relations: ...
