Teaching Poetry Writing: A Five Canon Approach is a comprehensive alternative to the full-class workshop approach to poetry writing instruction. In the five canon approach, peer critique of student poems takes place in online environments, freeing up class time for writing exercises and lessons based on the five canons of classical rhetoric: invention, arrangement, style, memory, and delivery.

The Practice of Poetry. The Practice of Poetry was required for a poetry class I took when I was at university. Although it was one of my college textbooks, I have always found it incredibly accessible for writers at any level of experience. The Practice of Poetry is jam-packed with some of the best poetry writing exercises ever conceived.
