Etymology and definitions "Magnetizer" The terms "magnetizer" and "mesmerizer" have been applied to people who study and practice animal magnetism. These terms have been distinguished from "mesmerist" and "magnetist", which are regarded as denoting those who study animal magnetism without being practitioners; and from "hypnotist", someone who practises hypnosis.

Animal magnetism - Wikipedia

The rational planning model is a model of the planning process involving a number of rational actions or steps. Taylor (1998) outlines five steps, as follows: Definition of the problems and/or goals; Identification of alternative plans/policies; Evaluation of alternative plans/policies;
