The Relationship Between Bullying and Suicide

There is a strong link between mental health and physical health, but little is known about the pathways from one to the other. We analyse the direct and indirect effects of past mental health on present physical health and past physical health on present mental health using lifestyle choices and social capital in a mediation framework.

The relationship between physical and mental health: A

An intimate relationship is an interpersonal relationship that involves physical or emotional intimacy. Physical intimacy is characterized by friendship, platonic love, romantic love, or sexual activity. While the term intimate relationship commonly implies the inclusion of a sexual relationship, the term is also used as a euphemism for a relationship that is strictly sexual.
