The Sea Level Rise Task Force is charged with: Reviewing relevant data and prior studies and reports regarding the potential impact of sea level rise on public services and facilities, real estate, water and other ecological resources, and property and infrastructure; and

Sea Level Rise Task Force - Miami-Dade County

Progress is the idea that advances in technology, science, and social organization can produce an improvement in the human condition, and therefore that entire societies, and humanity in general, can improve in terms of their social, political, and economic structures. This may happen as a result of direct human action, as in social enterprise or through activism, or as a natural part of ...

Robust board oversight and senior management

13th Global Fraud Survey - EY - United States

County commissioner elections don't always generate the interest that a hotly contested race for mayor or state representative might. Yet county government actions are consequential: many decisions about criminal justice, housing, public health, and environmental protection fall to county government to resolve.

States and communities can. Align efforts with the National Action Plan for Child Injury Prevention, released

in 2012 by CDC and more than 60 partner organizations.

Child Injury | VitalSigns | CDC

Presentations look across the American Memory collections to investigate curricular themes. They include historical background, helping to tell the story behind the theme. Activities offer an interactive, "hands on" experience and focus on a specific topic, rather than broad themes. They require teacher direction, but invite students to participate.
