A live action role-playing game (LARP) is a form of role-playing game where the participants physically portray their characters. The players pursue goals within a fictional setting represented by the real world while interacting with each other in character. The outcome of player actions may be mediated by game rules or determined by consensus among players.

Social Change Is Outside the Role of Public Pensions . By Anil Niraula. With the next financial crisis potentially looming, and funding challenges increasing, public pension plans can't afford to undermine their fiduciary responsibilities and leave money on the table in favor of making social or political statements.
