Sanitary Fittings Ordering Information - Duhig

A sanitary survey is a review of a public water system to assess their capability to supply safe drinking water. Primacy agencies are responsible for completing sanitary surveys. EPA delegates primary enforcement responsibility, also called primacy, for public water systems to states and Indian Tribes if they meet certain requirements.

In New York State, when a children's program qualifies as a camp, it must have a state, city, or county health department permit to operate legally and must operate in compliance with Subpart 7-2 of the State Sanitary Code requirements. A permit is issued only when the camp is in compliance with the state's health regulations.
