Sense of History: The Place of the Past in American Life

James Curtis, Making Sense of Documentary Photography, page 5 Who Took the Photograph? If we are to determine the meaning of a documentary photograph we must begin by establishing the historical context for both the image and its creator. A documentary photographer is an historical actor bent upon communicating a message to an audience.

Making Sense of Documentary Photography

The End of History believing that it is the ideal that will govern the material world in the long run. To

understand how this is so, we must first consider some theoretical issues concerning the nature of historical change.
