A binary star is a star system consisting of two stars orbiting around their common barycenter. Systems of two or more stars are called multiple star systems. These systems, especially when more distant, often appear to the unaided eye as a single point of light, and are then revealed as multiple by other means.

The Force is a metaphysical and ubiquitous power in the Star Wars fictional universe. It is wielded by characters throughout the franchise: heroes like the Jedi use the "light side" of the Force, while the Sith and other villains exploit the "dark side". The Force has been compared to aspects of several world religions, and the phrase "May the Force be with you" has become part of the popular ...
