

the struggle for democracy pdf

A struggle session was a form of public humiliation and torture that was used by the Communist Party of China in the Mao era, particularly during the Cultural Revolution, to shape public opinion and humiliate, persecute, or execute political rivals and those deemed class enemies.. In general, the victim of a struggle session was forced to admit various crimes before a crowd of people who would ...

Class struggle, or class warfare or class conflict, is tension or antagonism in society. It is said to exist because different groups of people have different interests. Looking at society this way is a feature of Marxism and socialism. Social sciences group people with similar social features into classes. Most of these features are economic.. According to Marxism, there are two main classes ...

Concept. The concept of New Democracy aims to overthrow feudalism and achieve independence from colonialism. However, it dispenses with the rule predicted by Karl Marx that a capitalist class would usually follow such a struggle, claiming instead to seek to enter directly into socialism through a coalition of classes fighting the old ruling order. The coalition is subsumed under the leadership ...
