The Power of Your Subconscious Mind By Dr Joseph Murphy

Consciousness has three aspects - your subconscious mind, your conscious mind and your higher self. The first aspect you must come to know is your subconscious. It is the key to your current circumstances. It is the incredibly powerful programme that runs every aspect of your life automatically and without any need for your conscious input.

While McDonald's dropped the physical arches from nearly all of its restaurants in the 1960s [citation needed], the Golden Arches have remained in the logo, and as a commonly understood term for the company. This was partially due to Louis Cheskin's argument that the arches, which he likened to "mother McDonald's breasts", had "Freudian applications to the subconscious mind of the consumer and ...

Universal Realities: It is important to be aware of the fact that these levels of consciousness are realities that exist universally, regardless of whether or not one uses the OM Mantra or the visual OM symbol in any way. In either case, the underlying principles are extremely useful for all seekers in purifying or clearing the mind, and seeking the direct experience of deeper truths.

In a kind of spooky experiment, scientists at the Max Planck Institute for Human Cognitive and Brain Sciences reveal that our decisions are made seconds before we become aware of them. In the study, participants could freely decide if they wanted to press a button with their right or left hand. The only condition was that they had to remember when they made the decision to either use their ...
