Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries.. Theology is basically the study of deities or their scriptures in order to discover what they have revealed about themselves. While theology has turned into a secular field, religious adherents still consider theology to be a discipline that helps them ...

Grow in understanding of the Christian faith. In the words of Saint Paul, the aim of The School of Theology is "to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ." (Ephesians 4.12-13)
