Three Pillars of Zen - Terebess

### **Three Pillars of Zen - Terebess**

In summary, these three pillars are the absolute sovereignty of God, the total depravity of humanity and the complete sufficiency of Christ. We can define these three pillars as follows: 1. The Absolute Sovereignty of God: God is the Great King of the Universe. He rules over all things perfectly and completely.

The Three Pillars of Sustainability. The three pillars of sustainability are a powerful tool for defining the complete sustainability problem. This consists of at least the economic, social, and environmental pillars. If any one pillar is weak then the system as a whole is unsustainable. Two popular ways to visualize the three pillars are shown.

sustainability is to integrate all the ways we do business under the "three pillars" of Social, Environmental and Economic impact. By evaluating the opportunities in each of these areas, we are becoming more responsible in our processes and finding better ways to create value for our clients and manage their risks at the same time.
