

the whip a story pdf

A whip is a tool which was traditionally designed to strike animals or people to aid guidance or exert control over animals or other people, through pain compliance or fear of pain, although in some activities, whips can be used without use of pain, such as an additional pressure aid or visual directional cue in equestrianism. Whips are generally of two types, either a firm stick designed for ...

Guy de Maupassant's short story "The Necklace" ("La parure") was first published in the Paris newspaper Le Gaulois on February 17, 1884, and was subsequently included in his 1885 collection of short stories Tales of Day and Night (Contes de jour et de la nuit). Like most of Maupassant's short fiction, it was an instant success, and it has become his most widely read and anthologized story.
