PREFACE - Nursing Theory, Research, and Practice

NURSING THEORY: A discussion on an ambiguous concept 17 organization. Therefore, a theory should be broken into parts which are examined individually, in relation to each other, and consequently the theoretical structure as a whole should be examined for such things as validity and approximation to the real world.

A discussion on an ambiguous concept

A nursing theory provides the framework that links nursing research, nursing practice, and nursing knowledge. Why Use Orem's Self Care Deficit Theory of Nursing? It provides a positive frame of reference about nurses, patients, and the interactions between the two.
