Literary theory in a strict sense is the systematic study of the nature of literature and of the methods for analyzing literature. However, literary scholarship since the 19th century often includes –in addition to, or even instead of literary theory in the strict sense– considerations of intellectual history, moral philosophy, social prophecy, and other interdisciplinary themes which are of ...

The iceberg theory (sometimes known as the "theory of omission") is a style of writing (turned colloquialism) coined by American writer Ernest Hemingway. As a young journalist, Hemingway had to focus his newspaper reports on immediate events, with very little context or interpretation. When he became a writer of short stories, he retained this minimalistic style, focusing on surface elements ...
