points and tie things together when the discussion jumps around between interrelated topics. Filling the role of leader or facilitator is no easy task, especially when personal agendas clash or misunderstandings occur.

## **HOW TO ORGANIZE AND RUN EFFECTIVE MEETINGS**

synonymous, the terms merger and acquisition mean slightly different things. When one company takes over another and clearly established itself as the new owner, the purchase is called an acquisition. From a legal point of view, the target company ceases to exist, the buyer "swallows" the business and the buyer's stock continues to be traded.
