Transcript. In part 1 I talked about critical thinking in terms of self-defense, as a means of protecting ourselves from the false rhetoric and bad arguments that are often used by people and institutions to get us to believe and do things that aren't really in our best interest. This is the situation when tools of persuasion are directed at us, when we're on the receiving end of an ...

Background. Gladwell initially covered business and science in The Washington Post before joining the staff at The New Yorker in 1997. Each of the articles first appeared in The New Yorker and was handpicked by Gladwell. The stories share a common theme, namely that Gladwell tries to show us the world through the eyes of others, even if that other happens to be a dog, hence the title.

In its original sense, a shaggy dog story or yarn is an extremely long-winded anecdote characterized by extensive narration of typically irrelevant incidents and terminated by an anticlimax or a pointless punchline.. Shaggy dog stories play upon the audience's preconceptions of joke-telling. The audience listens to the story with certain expectations, which are either simply not met or met in ...
