This Pen For Hire (2003) About book: This book was really hard for me to rate. In some ways I felt it deserved a lower rating at least compared to the rest of the novels in the series but at the same time 2 stars would have not been fair either.

This Pen for Hire is a fun, easy read. It is short and doesn't dwell on too many details. I like mysteries that are short mainly because I don't have to read as long to find out who the killer is.
