Through The Open Door: Secrets of Self-Hypnosis The Door is open. The door to your unconscious mind is The Door to your future. Your unconscious mind is that part of your mind that is unaware of what is going on at this moment. However, the unconscious mind has been conditioned over the course of your life to pursue certain goals and ignore others.

Life is a succession of open doors. We pass through some and others we pass by. The decisions we make before these open doors are the arbiters of our destiny thenceforth. This volume is an open door before which you now stand. Look within and consider well what you see there, for this portal leads from outer darkness to Inner Light.
