Advanced Placement (AP) is a program in the United States and Canada created by the College Board which offers college-level curricula and examinations to high school students. American colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a ...

As an amusing side note, in a science essay called "The Sight Of Home" Isaac Asimov once calculated how far an interstellar colony would have to be from Terra before Sol was too dim to be seen in the colony's night sky with the naked eye. Turns out that colonies further than 20 parsecs (65 light-years) cannot see Mankind's Homestar, because Sol's apparent magnitude is dimmer than 6.
