12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

A culture of life describes a way of life based upon the belief that human life at all stages from conception through natural death is sacred. As such, a culture of life opposes practices destructive to human life at any stage, including abortion, euthanasia, studies and medicines involving embryonic stem cells, and contraception. It also promotes policies that "lift up the human spirit with ...
